### Education Background

- Sri Krishna Arts & Science College  
*M.Sc Computer science*  
Completed in 2024
- Sri Ramakrishna College of Arts & Science  
*B.Sc Computer science*  
Completed in 2021

### About Me

M.Sc Computer Science graduate (2024) with hands-on web development experience from a 3-month internship and my current professional role. Built a website during the internship and developed responsive, dynamic websites using WordPress, Laravel, and ReactJS, including a custom WordPress plugin, in my ongoing work. Proficient in PHP, JavaScript, MySQL, and modern technologies, with a passion for innovative solutions. Eager to apply my skills to impactful, technology-driven projects.

### Professional Experience

Softound Solutions. | Software Developer  
2024 – Present

Key responsibilities:

- Developed responsive and dynamic websites for clients using WordPress, Laravel, and ReactJS with MUI and ShadCN UI across various projects, enhancing user engagement and functionality.
- Built custom web solutions with PHP, HTML, CSS, JavaScript, jQuery, and Bootstrap, delivering projects ahead of schedule.
- Designed and optimized MySQL databases to support scalable applications, improving data retrieval efficiency.
- Integrated AJAX for seamless front-end interactions, reducing page load times and enhancing user experience.
- Created a custom WordPress plugin to extend functionality, streamlining client workflows and site management.

### Internship

Joy Tapp Technologies Pvt Ltd | Backend Developer Intern  
DEC 2023 – FEB 2024

- Created websites using JavaScript, HTML, CSS, jQuery, MySQL, PHP, and AJAX.
- Collaborated with team to troubleshoot issues and optimize website performance.
